Product Description

3W 5W RGB LED Blub Light With Remote Control

Product Description:

Dimmable LED light bulbs are a great way to add a low voltage lighting solution to any room. They are energy efficient and provide a soft, pleasant illumination. Our LED dimming bulbs are designed to be compatible with a wide range of dimmers, providing you with an easy and affordable way to control the brightness of your lighting. These dimmable LED light bulbs feature a 120° beam angle, GU10, MR16 and GU5.3 light base, and measure 1.97*2.36 inches. Their IP44 rate and two-year warranty make them a reliable option for any dimming lighting installation.
