Product Description

15W/30W Waterproof LED Flood Light IP65 Rating 1500LM Luminous Flux

Product Description:

Waterproof LED Flood Light

This Waterproof LED Flood Light is a perfect choice for waterproof floodlighting applications. Made with high-quality materials, it offers superior waterproof performance, with an IP65 rating providing long-term protection against dust and water. It comes in two power options, 15W and 30W, providing you with the right lighting for your needs. Its compact size of 4.92*3.85*4.92inch and lightweight of 390g makes it easy to install and transport. This LED light is also designed to last, with a 2-year warranty to ensure it serves you for a long time.

Ideal for any outdoor lighting needs, this Waterproof LED Flood Light brings you reliable waterproof lighting solutions. Whether it's for architectural lighting, landscape lighting, or security lighting, this waterproof LED floodlight is a great choice. With its long-lasting performance and reliable waterproof protection, you can be sure it'll be brightening up your space for years to come.
